▶ Accessing Solaro

Computer

1. Visit your library's website and select the **eResources** tab, or visit **marigold.ab.ca/eResources**.
2. Click on **Solaro**.
3. Enter your **library card barcode number** and click **Request**. Solaro will generate a log in for you.
4. Once you receive your username and password, click on **www.solaro.com**.
5. Enter your **username** and **password** and click **Log in**.

Mobile App

1. Download the Solaro app from the Apple App Store or Google Play.
2. Open the app and log in with your **username or email address** and **password**.

NOTE: To receive your username and password from Solaro, **it is recommended that you first access Solaro on your computer**.

▶ Adding Courses

1. Click **Add Course**.
2. Select your **Region** (Alberta) and **Grade**. Click **Update**.
3. Select all the courses you would like to add.

▶ For Parents

Students can send parents an invitation to monitor their progress.

1. Click on the profile tab in the top right corner and select **My Account**.
2. Under **Invite Parent**, click **Add** and enter an email address. Click **Save**.

▶ Kanopy Kids

- ▶ Designed especially for kids ages 2-8.
- ▶ Movies, TV shows, Storybooks
- ▶ Titles range from rated G to rated PG
- ▶ Unlimited viewing and no waitlists
- ▶ This feature should be used with parental guidance

▶ Accessing Kanopy Kids

1. Create a Kanopy account by visiting <https://www.kanopy.com/en/marigold> or downloading the Kanopy app on IOS, Android, or Kindle.
2. Find your library and click "Add a Library Card". Enter your library card barcode and PIN number.
2. Once logged in, select **Kids** on the top right corner.
3. **Kids** will now remain logged in until manually exited, or the account is logged out.

IMPORTANT

Logging out and back into your account switches out of **Kids mode** by default.

▶ Parental Controls

Kids can have their own Kanopy account if they have their own email address and library card barcode number.

However, Kids mode will still have to be activated each time they log on.

Parents can set up parental controls within their account which makes it impossible to exit Kids mode without a PIN.
